

# DATA SHEET

## PERSONAL BRACKETS - WALL & BED

**Product Code:-**

**Wall Bracket: A30001**

**Bed Bracket: A30003**

Wall Brackets are convenient in allowing the Medi9 alcohol and chlorine free hand sanitising foam to be readily accessible for ease of use.

Bed Brackets are designed to be hung on the end of beds to hold the Medi9 hand sanitising foam, allowing the products to be positioned for easy access.

### FEATURES

- Plastic coated steel wire
- Durable
- Economical
- Easy to install, even if for temporary basis
- Suitable for use in a clinical environment
