

DATA SHEET

SURFACES PERSONAL PACK

Product code: **ME904020**

Quantity: **50ml Hand Foam
24 Sanitiser Wipes**

The **Medi9** Hand Foam and Sanitiser Wipes are designed for everyday use in environments where the transfer of germs is a concern.

The 50ml **Medi9** Hand Foam for cleansing hands and the pack of 24 wipes for sanitising surfaces are packaged in a transparent water-proof pouch. This convenient pack provides total germ protection to hands and surfaces from 99.9% of bacteria, spores, viruses and fungi including *Clostridium difficile*, MRSA and Norovirus. The transparent bag makes it possible to transport the protection pack through airports in hand luggage so that the extra level of sanitisation is even available in flight. It can also be used for excursion trips on cruise line or coach holidays.
